**Authorization Agreement**

I, ______________________________, Executive Director or authorized individual of the above-named agency authorize the above-named employee as the ServicePoint Agency Administrator and HMIS Data Security Officer for this agency.

I understand that the above-named person will have top-level access to this agency’s information in HMIS. I understand that HMIS Agency Administrators will have access to the following:

- Access to update client records including saving data, adding, and editing.
- Run agency reports on HMIS data.
- Edit this agency’s information and can add, edit, and delete HMIS users for this agency.
- The Agency Administrator may not delete a client from HMIS. The Agency Administrator will contact ECHO HMIS if a client needs to be removed entirely from the database.

This individual will be responsible for:

- Completing HMIS Agency Administrator Training with ECHO HMIS.
- Ensuring all licensed HMIS users at this agency complete training prior to accessing the database and ensuring all HMIS users at this agency complete the annual Ethics Training.
- Maintaining workflow provided by HMIS for upholding the HMIS Data and Technical Standards.
- Attending HMIS Workgroup Meetings on behalf of this agency.
- Acting as the HMIS Data and Security Officer for this agency.

By this agreement, I authorize ECHO HMIS to give this employee the HMIS Access Level of Agency Administrator.
