DV Bonus Funding

- (4) New Projects for DV Bonus. New projects that want to be considered for the DV Bonus, may be:

 - (b) **Joint TH and PH-RRH component projects** defined in Section III.B.2.q of this NOFO dedicated to **serving survivors of domestic violence, dating violence, sexual assault, or stalking who are defined as homeless (24 CFR 578.3);** or

Participant Eligibility

Projects funded through this NOFO must have the following eligibility criteria for program participants. References to paragraphs of the definition of homeless refer to the paragraphs listed under the definition of "homeless" in 24 CFR 578.3.

- All projects must participate in coordinated entry, and the selection of program participants must be consistent with the CoC's coordinated entry process.
- As provided by the Consolidated Appropriations Act, 2021, youth aged 24 and under must not be required to provide third-party documentation that they meet the homeless definition in 24 CFR 578.3 as a condition for receiving services funded under this NOFO.
 - Additionally, any youth-serving provider funded under this NOFO may serve unaccompanied youth aged 24 and under (or families headed by youth aged 24 and under) who are living in unsafe situations. HUD interprets "youth-serving provider" as a private nonprofit organization whose primary mission is to provide services to youth aged 24 and under and families headed by youth aged 24 and under. HUD interprets "living in unsafe situations" as having an unsafe primary nighttime residence and no safe alternative to that residence. These youth-related requirements supersede any conflicting requirements under this NOFO or the Rule.

(a) PH-PSH renewal projects must serve one of the following:

- (i) program participants who are eligible for assistance under the project's current grant agreement;
- (ii) persons eligible to be served by DedicatedPLUS projects as described in Section III.B.2.g of this NOFO where all units funded by this project must be used to serve program participants who meet the qualifications for DedicatedPLUS; Or
- (iii) persons experiencing chronic homelessness at the time they initially enrolled in the project.

(b) PH-RRH, Joint TH and PH-RRH component, TH, and SSO projects may serve persons who qualify as homeless under paragraphs (1), (2), or (4) of 24 CFR 578.3.

(c) Renewal projects originally awarded under a previous year's DV Bonus must continue to serve survivors of domestic violence, dating violence, sexual assault, and stalking.

Expansion Project

The process by which a RENEWAL project applicant submits a NEW project application to expand its current operations.

<p>“increase the number of units, persons served, services provided to existing program participants, or to add additional activities to HMIS”</p>	<p>Grant term of 1 year</p>	<p>Must Submit 2 applications:</p> <ol style="list-style-type: none">1. Renewal2. New	<p>Expanding Non-CoC Funded Project</p> <p>Cannot be used to replace state or local funds</p>	<p>Use current Ranking Process for Renewals and New</p>
--	-----------------------------	---	---	---

Expansion Requirements

You **cannot** use the expansion process to provide existing program participants with the **same housing and services** funded through the CoC Program; therefore, an expansion project must:

- a) serve new program participants;
- b) provide existing program participants with an expanded level of services;
- c) provide existing program participants with facilities that meet health and safety standards;
- d) provide the same activities that are CoC Program-eligible but were previously paid for by a different eligible non-renewable source. Applicants are prohibited from using CoC Program funds to replace state or local funds previously used, or designated for use, to assist persons experiencing homelessness; for more information refer to 24 CFR 578.87(a);
- e) provide expanded coordinated entry services to new and existing program participants, only eligible for SSO-CE; **or**
- f) provide expanded HMIS activities, only eligible for HMIS Leads.

Screen 3C. Project Expansion Information

You can apply for a new project that **will expand an existing eligible CoC Program renewal project** (see Section III.B.2.j of the NOFO), so long as **it is the same component and type** (e.g., both the new and renewal project applications are PH-PSH). To apply for a new project that will expand an existing eligible CoC Program renewal project **you will create and submit two project applications: a “Stand-alone New” and a “Stand-alone Renewal”**.

In the “Stand – alone New”

1. Is this a “Project Expansion” of an eligible renewal project?
2. Will this expansion project increase the number of program participants?
3. Will this expansion project provide additional supportive services to program participants?
4. Will this expansion project bring existing facilities up to government health or safety standards?

Expansion Continued - DV

Only one SSO-CE project can be submitted per CoC; however, there is no limit on the number of PH-RRH and Joint TH and PH-RRH projects provided that each application is for at least \$50,000. A project applicant may also apply to expand an existing renewal project, including one that was previously awarded with DV Bonus funding, in accordance with Section III.B.2.k of this NOFO, however, only the new project application for the expansion will be considered for DV Bonus funds through this process. DV Bonus funding may be used to expand an existing renewal project that is not dedicated to serving survivors of domestic violence, dating violence, sexual assault, or stalking who meet the definition of homeless in paragraph (4) of 24 CFR 578.3 so long as the DV Bonus funds for expansion are solely for additional units, beds, or services dedicated to persons eligible to be served with DV Bonus funding.

Transition Grant

A grant to fund a new project to transition an eligible renewal project being eliminated through reallocation from one program component to another eligible new component over a 1-year period.

(1) no more than 50 percent of each transition grant may be used for costs of eligible activities of the program component originally funded

(2) transition grants in this Competition are eligible for renewal in subsequent fiscal years for eligible activities of the new component;

(3) to be eligible to receive a transition grant, the current recipient must have the consent of its Continuum of Care; and

(4) the new project application must meet project eligibility and project quality thresholds established by HUD in Sections V.C.3.b and c of this NOFO.

the transition grant will have the same operating year as the expiring component project

New: Consolidated Projects

Combine two or more eligible renewal projects may do so through the renewal project application and must ensure:

**FY 21 = No Projects are Eligible for Consolidation
in the Austin/Travis County CoC**

Ready to Apply!?!

FY 2021 CoC Priority Listing.

Leadership Council: 2021 Funding Priorities for New/Bonus Funded Projects

Continuum of Care Component Types:

Populations:

- Projects with no subpopulation targeting (projects serving HUDs Category 1 or Category 4 Homelessness Status) beyond those required in the NOFO.

Any new project applications submitted during the FY21 CoC Program NOFO with content in conflict with the above priorities will be considered out of alignment with the Local Funding Priorities for the purpose of application scoring as adopted in the Scoring, Ranking, and Review Policy and Process.

Leadership Council Community Prioritization

“The Leadership Council has directed the Collaborative Applicant to review, score, and rank all applications based on these priorities (see Rank, Review, and Scoring Policy). These priorities will be evaluated in addition to project performance metrics that contribute to the community’s System Performance Measures”

- FY21 Community Funding Priorities

1. Furthering Racial Equity
2. Authentic Engagement of People with Lived Expertise
3. Using Emerging Data to Inform Program Design and Growth
4. Investing in a Competitive Workforce

Community Ranking Policy

The Austin/Travis County CoC will rank all projects which have passed threshold and project quality review and scoring by the IRT on the Priority Listing in the following manner:

1) New Projects

- a) New Projects will be competitively ranked **against Renewal Projects** with a Q1 Quarterly Performance Scorecard score of **at or below 59.9%**.

2) Renewal Projects

- a) Renewal Projects with a Q1 Quarterly Performance Scorecard score **at or above 60%** will be **ranked above any New Projects**.

3) Non-competitively Ranked Projects

- a) Projects eligible for renewal for **the first time** as part of the CoC Program NOFO will be non-competitively ranked above competitively ranked projects.
- b) Any projects deemed by the Continuum of Care Board, or its representatives, **as critical to the infrastructure of the CoC** will be non-competitively ranked **above competitively ranked projects**.

CoC Expectations of Recipients

All applicants are required to complete the CoC Expectations Agreement as a threshold criteria of inclusion of the FY21 Priority Listing.

New Project Proposals

- 12-month term (can request 18 months for start-up). HUD has determined that most new projects requesting 1 year of funding normally take approximately 3 to 6 months to begin fully operating the new project (e.g., hiring staff, developing partnerships with landowners if leasing or renting).
- Ensure alignment with community Needs and Gaps
- Identify target population (if any)
- Type of Housing and services that will be provided
- Identify how will connect clients with healthcare, mainstream (TANF, Medicaid, etc.) and employment services

Joint Transitional Housing and Rapid Re-housing

Joint TH and PH-RRH Component Project: The Joint TH and PH-RRH component project combines two existing program components—transitional housing and permanent housing-rapid rehousing—in a single project to serve individuals and families experiencing homelessness. HUD will require the recipient to adopt a Housing First approach (see Sections II.A.2 and III.B.2.o of this NOFO) across the entire project and program participants may only receive up to 24 Months of total assistance.

Combines two existing program components into a single project. Eligible costs are limited to:

- More information can be found on the HUD Exchange: <https://www.hudexchange.info/news/snaps-in-focus-the-new-joint-transitional-housing-and-rapid-re-housing-component/>

Housing First

Use a Housing First approach. Housing First prioritizes rapid placement and stabilization in permanent housing and does not have service participation requirements or preconditions. CoC Program funded projects should help individuals and families move quickly into permanent housing, and the CoC should measure and help projects reduce the length of time people experience homelessness. Additionally, CoCs should engage landlords and property owners to identify an inventory of housing available for rapid rehousing and permanent supportive housing participants, remove barriers to entry, and adopt client-centered service methods. HUD encourages CoCs to assess how well Housing First approaches are being implemented in their communities.

Housing First. A model of housing assistance that prioritizes rapid placement and stabilization in permanent housing that does not have service participation requirements or preconditions (such as sobriety or a minimum income threshold). Transitional housing and supportive service only projects are considered using a Housing First model for the purposes of this NOFO if they operate with low barriers, work to quickly move people into permanent housing, do not require participation in supportive services, and, for transitional housing projects, do not require preconditions for moving into the transitional housing (e.g., sobriety or minimum income threshold). Additional information regarding Housing First is in Section II.A.2 of this NOFO.

This means the projects allow entry to program participants regardless of their income, current or past substance use, history of victimization (e.g., domestic violence, sexual assault, childhood abuse), and a criminal record—except restrictions imposed by federal, state, or local law or ordinance (e.g., restrictions on serving people who are listed on sex offender registries).

Project Budget

- All Budget Line Items (BLI) must be
 - Clearly written in e-snaps (see CoC New Project Application Detailed Instructions)
 - Must be in compliance with eligible expenses for project type (see CoC Program Interim Rule)

- When requesting Rental Assistance e-snaps will automatically calculate Fair Market Rental (FMR) amount per unit
 - If selecting SRO – please review guidance in NOFA

- Maximum 10% in administrative costs
