

Austin/Travis County Homelessness Response System: Shared Values

Value lived expertise

**Think holistically about
homelessness**

**Ground in data and historical
context**

Transparency of process

Not rushing the process

Tackling root issues

Systems-thinking

**Centering experiences of those
most directly impacted**

Collaboration

**Authentic and meaningful
engagement**

Equity

Welcome generative conflict

Struggle together

Work towards liberation

Honesty – speak your mind!

Austin/Travis County Homelessness Response System: Group Agreements

Prioritize and honor the voices of BIPOC individuals and those with lived expertise of homelessness

Intentionally bring equity discussions into every space

Be comfortable with being uncomfortable; embrace generative conflict

Focus on the ideas being presented, not the speaker

Prioritize relationship and trust building

Hold space to ensure understanding of subject matter

Check in with those who are not speaking up
