The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:
- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:
  - New;
  - Renewal;
  - UFA Costs;
  - CoC Planning;
  - YHPD Renewal; and
  - YHDP Replacement.
- Attachment Requirement
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:
- New and Renewal Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved, they are not ranked per the FY 2023 CoC Program Competition NOFO:
  - UFA Costs Project Listing;
  - CoC planning Project Listing;
  - YHPD Renewal Project Listing; and
  - YHDP Replacement Project Listing.
  - Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
  - For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
  - If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 2500 characters)

On May 30, 2023, ECHO staff, as the CoC Lead Agency, was notified by HUD Field Office of the final HUD Monitoring Report for the applicant’s PSH Program released that day. The report identified seventeen (17) Findings, two (2) Concerns, and six (6) Observations in the areas of overall program/fiscal management & recordkeeping requirements, some of which were repeat findings. ECHO staff communicated these findings to Leadership Council (the CoC Board) members on June 16th, 2023 during the regular NOFO working group meetings. In light of the requirements outlined in the CoC Program Interim Rule and the annual NOFO that strongly encourage CoCs to reallocate poor performing projects, Leadership Council voted to involuntarily reallocate the project on the basis of the following instances as outlined in our CoC’s FY23 Reallocation & Deobligation Policy: 1) Projects which do not demonstrate adequate management of the program, including but not limited to: inadequate demonstration of fiscal responsibility (including timely use of funds and timely spending drawdowns), organizational capacity (including appropriate staffing structures to support project), satisfying all statutory and regulatory requirements. 2) Projects undergoing HUD monitoring which have one or more open findings related to financial management, or who will be required to submit repayment following a HUD monitoring. 3) Projects which have demonstrated activities, behaviors, or determinations that could be perceived as grossly negligent or egregious, and/or could cause risk to the reputation or performance of the rest of the CoC. The applicant was notified of this decision in writing via email on July 7, 2023.

Recognizing that HMIS constitutes a critical part of the HRS infrastructure that needs to be accessed equitably amongst all service providers in our HRS, some of whom are increasingly diverse and new to the HRS with varying financial capacities, Leadership Council, our CoC Board, voted on March 27, 2023, to implement a 2% involuntary reallocation from each renewal application, except for HMIS projects & VSP projects (due to VSP already covering the costs for a comparable database), during the FY23 NOFO to create an HMIS Expansion project. The goal of HMIS Expansion is to ensure that HMIS access is free for all users, regardless of their financial capacity. Applicant was notified of this decision on May 4, 2023.

This process may take a few minutes based upon the number of new projects submitted by project applicant(s) to your CoC in the e-snaps system. You may update each of the Project Listings simultaneously. To review a project on the New Project Listing, click on the magnifying glass next to each project to view project details. To view the actual project application, click on the orange folder. If you identify errors in the project application(s), you can send the application back to the project applicant to make the necessary changes by clicking the amend icon. It is your sole responsibility for ensuring all amended projects are resubmitted, approved and ranked or rejected on this project listing BEFORE submitting the CoC Priority Listing in e-snaps. [https://www.hud.gov/program_offices/comm_planning/coc/competition](https://www.hud.gov/program_offices/comm_planning/coc/competition).

**WARNING:** If you amend project applications back to project applicants to make changes or corrections in e-snaps, you must approve the resubmitted project applications. If you do not approve the resubmitted project applications, they will not be included on your CoC’s Priority Listings, which could result in your CoC losing funding. HUD lacks the authority to fund projects unless they are included on the Priority Listings, which tell us which projects your CoC is prioritizing.

Instructions:
Prior to starting the CoC Planning Project Listing, review the CoC Priority Listing Detailed Instructions and CoC Priority Listing Navigational Guide available on HUD’s website.

To upload the CoC planning project application submitted to this Project Listing, click the "Update List" button. This process may take a few minutes while the project is located in the e-snaps system. You may update each of the Project Listings simultaneously. To review the CoC Planning Project Listing, click on the magnifying glass next to view the project details. To view the actual project application, click on the orange folder. If you identify errors in the project application, you can send the application back to the project applicant to make necessary changes by clicking the amend icon. It is your sole responsibility for ensuring all amended projects are resubmitted, approved and ranked or rejected on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

Only one CoC planning project application can be submitted and only by the Collaborative Applicant designated by the CoC which must match the Collaborative Applicant information on the CoC Applicant Profile.

WARNING: If you amend project applications back to project applicants to make changes or corrections in e-snaps, you must approve the resubmitted project applications. If you do not approve the resubmitted project applications, they will not be included on your CoC’s Priority Listings, which could result in your CoC losing funding. HUD lacks the authority to fund projects unless they are included on the Priority Listings, which tell us which projects your CoC is prioritizing.
