Austin / Travis County Homeless Management Information System Data Sharing Policy and Release of Information (ROI)

Agency Completing Form: _____

This agency collects information about people who ask about our homeless services. When we meet with you, we will ask you for information about you and your family. We will put the information you give us into a computer program called WellSky Community Services (or "HMIS").

Austin / Travis County HMIS data is all stored in one computer system. Your information will be shared with all agencies that use our system (all "HMIS Agencies") to help you get services more quickly and easily. A list of all current HMIS Agencies is on the next page of this form, and you can ask for a new copy at any time.

The Personal Information we share may include:

- Personal Identifying Information (such as name, social security number, and date of birth)
- Who is in your household
- Job history
- Military history
- Living situation and housing history
- Educational background
- Demographic information (such as race, gender, and ethnicity)
- Your income and income sources
- Services you request or receive
- If you are experiencing homelessness or not
- Reasons for seeking services
- Self-reported health needs

You can refuse to answer **any** question at **any** time, including questions about the things listed above. You will **never** be denied help because you did not answer a question unless we need to know that answer to know if you are eligible for a service.

We will not store or share treatment records about Mental Health, HIV/AIDS, or Drug, Alcohol, or Substance Abuse Treatment unless you give us specific permission.

We may also share some of your information from HMIS with agencies that do not use our HMIS system ("Outside Agencies") for different summary reports about homelessness. Personal Information that could be used to tell who you are will only be put in those reports if we have your written permission, or if the law lets us or requires us to share that information without your permission.

_____ **Please initial here to show that you have read and understand the rules above.**

Consent for Release of Personal Information

In addition to the information sharing above, you can also choose:
